Dear Jerry:

Following are our comments on the Proposed Plan for the Havertown PCP site. As the proposed plan meets with our earlier comments on the Feasibility Study, you will find that these comments deal with grammatical errors and points we found unclear.

Rather than sent a long list of "Page 1, Paragraph 3, line...." type of comments, I'm returning a copy of the plan, with our notations made in red.

I will be on vacation until July 8th. If you have any questions please contact Woody Cole at 832-6212. When I return I'll get in touch with you to confirm the location of the public meeting.

Sincerely,

David C. Kennedy
